The first of the Sherlock Holmes stories, this was also the first of Conan Doyle's books to be published. In this fascinating and exciting tale, the two towering creations of detective fiction--Holmes, the master of the science of detection, and Watson, his faithful companion--make their auspicious debut. The two detectives are immediately in fine form as Holmes plucks the solution to the mystery from the heart of Victorian London.

## **Reviews of the A Study in Scarlet (Oxford World's Classics) by Owen Dudley Edwards, Arthur Conan Doyle**

**Castiel**

Love it!!

**Hawk Flying**

ok
