Has there ever been a time when you ever said the following words: Oh Lord give me strength? Was there ever a time when it seemed as if your strength was "failing" or "leaving" you? The weighted "blocks of life" are continually falling down on you, and you feel no relief at all. Your "tank of tolerance" is also at an all time low, and on top of that your "day-to-day" items in the "stuff bag" called "life" is just about full. Well, I have great news for you! Where your "strength" falls short, God's strength stands up! For the bible declares in II Corinthians 12:9, "My grace is sufficient for thee: for my strength is made perfect in weakness." In fact, Jesus has a 100% guarantee on any affliction, struggle or trial you may be experiencing. This 100% guarantee is by way of the "Afflictions Benefits Package." The Lord defines it in these terms in Psalm 34:19, "Many are the afflictions of the righteous: but the Lord delivereth him out of them all." In other words, it's a "fixed fight" and a for sure win despite the hardships encountered. Each morning that heaven claps it's hands and says "wake up," we've got to know that we are on God's mind. He's ready to give us the assurance, guidance, and strength that we need for our journey through all life's struggles.

We all need a reminder that when life presents us challenges there is hope and the promise of deliverance. I highly recommend this book as an inspirational guideline to the beginning and advanced spiritual student. It is a work that has been well researched and eloquently organized for all who need encouragement to press on when life presents us experiences to overcome through faith and perseverance.

I was down and out filled with sorrow and decided to read Strength For Life's Struggles. It lifted me up to encourage me to look ahead to tomorrow (Tomorrow Morning page 15) because God will be there for me. I wonder why things are not happening for me the way I want it to but after reading "When God Says No!" (page 16) I understand that God has me in mind and it's just not time so I have to accept His decision. Each page that I read from this book truly helps me and can help anyone to find strength in themselves through God and know life will get better.
